Accreditation

Long Beach Memorial Medical Center is accredited by the institute for Medical Quality/California Medical Association (IMQ/CMA) to provide continuing medical education

for physicians.

Long Beach Memorial Medical Center designates this live activity for a maximum of 14 *AMA PRA Category 1 Credit(s)*TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity. This credit may also be applied to the CMA Certification in Continuing Medical Education. The California Board of Registered Nursing recognizes category 1 courses approved for credit by the American Medical Association toward meeting the continuing education requirements for license renewal.

Course Description

This is a two day course established to provide ongoing education for the care of pediatric patients. The course incorporates a review of policies, procedures, and protocols which impacts the care of the pediatric population. It also incorporates the latest evidence based practice care and recommendations for clinical practice guidelines.

In conjunction with
Miller Children's & Women's Hospital
