County EDAP requirement**

Pediatric Conference
Course Overview

Come join us by the sea for this interactive educational experience with nationally renowned speakers. This evidence-based curriculum will provide you with an accelerated learning experience that emphasizes the proper diagnosis and management of the acutely ill or injured child. You will gain insight into the latest scientific advances in pediatric emergency care through presentations by leading researchers.

Conference reception to follow on September 25th to give participants an opportunity to network with other health care providers.

On completion of this 2-day pediatric emergency conference the participant will be able to describe, identify, apply and discuss the latest principles in the assessment, evaluation and management of pediatric emergencies on the following topics:

- | | |
|------------------------|----------------------------------|
| Day 1 lectures | Day 2 lectures |
| Toxicology | Transgender Pts |
| Disasters | Pediatric ESI |
| Malpractice | The 2nd Victim |
| Tips/Tricks PED | Cyber Crimes |
| Child Abuse | Vaccine Prev Dis |
| Cases from | Peds Trauma |
| HUCLA Base | Cases from |
| Burn Surge | HUCLA Base |

**If you attend only one conference
all year, this should be it!**
